Reasons for Submission

I fully support the application to mine at Mananui

Westland Mineral Sands have proved to be an outstanding company that is contributing to the Westcoast economy with its sand mining in supporting local businesses and in employment.

Westport Hire are proud to be associated with WMS as a supplier and their loyalty to us is greatly appreciated.

I have been to the Cape Fowlwind site and the environmental impact of the sand mining is minimal with improving the land where they mine.

I seek the following decision from the Consent Authorities:

That the application be **granted** in its entirety.
