☒ Yes

My/our submission is that: (state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific proposal, or wish to have amendments made, giving reasons)

- The Projected vehicle movements and site access arrangements are acceptable.
- The use of the farmland is only temporary and will be returned to productive land as the project progresses.
- Boundary setbacks for the mining operation are acceptable and appropriate.
- The proposed mining methodology will minimise the land disturbance.
- The lighting plan is appropriate and acceptable.
- The water management system proposed is comprehensive and acceptable.
- I believe that the proposed mitigations and remediation measures proposed will minimise the potential effects on the ecology of the area.
- I Mananui Mineral Sands Project will bring much need economic activity to the region and assist with the revitalisation of the Port of Greymouth. Local industries will have opportunities to establish new markets for product by utilising the available surplus capacity on the sand barge.

I/we seek the following decision from the Local Authority/Authorities:(give precise details)

Approve the resource consents as require for the Westland Mineral Sands project.

I/we have attached additional information/reports to support my/our submission

☐ Yes
