We wish to receive **electronic** copies of the s42A Officer's Report and Decision.

We **have** served a copy of our submission on the Applicant as per s96(6)(b) of the Resource Management Act 1991.

Reasons for Submission

This application has strong potential to create a successful story with long term benefit to the public good and the regional tourism economy if managed appropriately. Success in this space would involve the creation of a visitor asset that creates value for the community for the long term as well as creating a narrative that places mining and tourism ventures as allies rather than enemies.

I / we seek the following decision from the Consent Authorities:

That the application be **granted** in its entirety.
